

book strap

© 2011 LiEr www.ikatbag.com

- sewing line
- ✂——— cutting line
- midlines (for reference)

This template is for 2" straps and 2" metal loops. You may wish to size it up or down for straps and loops of a different width. Use the midlines (red dotted lines) and midpoints (M, W, X, Y, Z) to help you preserve the symmetry of the template.
